

**Company:**            **Dell Computers**

**Services Offered:** Through Dell's Member Purchase Program, Tulare County employees can receive discounts on the purchase of computers and computer accessories.

**Discount/Incentive:**

The amount of the discount varies based upon the purchase being made. The web site includes a frequently asked questions section, and web pages describing the program, prices, and products.

County employees can access the Dell website at [www.dell.com](http://www.dell.com).

From the homepage:

- Click on the header "For Public Sector".
- Next click on 'Employee Purchases'.
- On the next page, you will be required to enter the County's member identification number \*.
- After entering the member identification number you will be taken to the "Member Purchases Program" where you can begin your shopping.

\*County employees must provide a Member Identification code that can be obtained by calling Human Resources & Development during office hours at 636-4900.

**Expiration Date:** This offer does not have a current expiration date.
